## WE HAVE SEVERAL PRIVATE DENTAL PRACTICE LOCATIONS WITH VARIOUS OPPORTUNITIES:

- Practice general dentistry doing most procedures (35% of collections)
- Exams ONLY on pediatric recalls and new patients. Supervise while assistants perform prophylaxis, x-rays, sealants, fluoride on kids. Refer to our other Dr. for treatment on another day. (Daily flat rate \$500/day)
- Treat Medicaid & private pay kids performing various procedures. (40% of production)
- Treat adult Medicaid patients doing extractions and delivery of dentures/partial all day, or just fillings all day. (40% of production)
- New patient adult exams only all day. (\$500 daily flat rate)
- Place implants all day in our future Dental Implant Center. (35% of collections)

We are NOT one of the "chain of corporate dental practices"; we have several independent, separate corporate (LLC's) private dental practices. We have (2) pediatric, (2) orthodontic, (2) partials/dentures and (3) private cash pay/insurance practices. The private cash pay/insurance practices do all procedures; lots of crown/bridge & implants (no Pediatric or Orthodontic services). We have an opportunity for every dentist depending on their age, skill level, health, PT or FT and the pace they wish to work. Some dentists still want to practice PT/FT doing most procedures as usual and customary while others have health or age limitations and wish to practice at a slower pace and only PT just making extra income and staying busy doing exams only all day. Present locations: Mt Dora, Oxford (The Villages West), Lady Lake (The Villages North). Future locations: Longwood, Fenny (The Villages). Serious inquires may email back for a meeting and to discuss the opportunities further: [FLDentalServices@aol.com](mailto:FLDentalServices@aol.com)
