Membership in the ADA is based on the calendar year from January to December. ADA dues allocation to **JADA**, \$25.00, to **ADA News**, \$8.00, and is not deductible from the dues amount.

United States Taxpayers Please Note: The tax law prohibits taxpayers from deducting the expenses that they incur by engaging in lobbying, as defined in the law. Accordingly, only that portion of an associations' member's dues not attributable to lobbying activities remains deductible as an ordinary and necessary business expense. The law requires associations to provide their members with a reasonable estimate of the non-deductible percent of their dues attributable to lobbying activities. For 2012, 8.8% of a member's ADA dues are allocated to lobbying activities (\$45.00 for members paying the full active dues of \$512.00). Dues payments and contributions are not deductible as charitable contributions for federal income tax purposes.
