

2026 ANNUAL MEETING

CFDDA

REGISTRATION PROGRAM

CENTRAL FLORIDA
DISTRICT DENTAL ASSOCIATION
A COMPONENT OF THE
AMERICAN & FLORIDA DENTAL ASSOCIATIONS

MAY 1-2 | HAMMOCK BEACH GOLF RESORT & SPA | PALM COAST, FL

CFDDA ANNUAL MEETING INFORMATION & HIGHLIGHTS

HOW TO REGISTER

Register online at cfdda.org or complete the Registration Form (on page 7) and email it to cfidental@cfdda.org or mail with check payment to:

Central Florida District Dental Association
Attn: CFDDA Events
545 John Knox Road, Ste. 203
Tallahassee, FL 32303

Please only use one method of registration to avoid duplicate records or multiple charges. Telephone and fax registration are not available.

You can adjust your registration online at cfdda.org or by calling 850.350.7166, Monday through Friday, 8 AM to 4 PM. On-site pricing will apply for all online and in-person registrations made after April 23, 2026.

CANCELLATION POLICY

All cancellations and/or refund requests for the 2026 CFDDA Annual Meeting must be postmarked by April 24, 2026. All cancellations are subject to a service and handling fee of \$30 per cancelled registrant.

Refunds are paid to the individual whose name appears at the top of the check or on the credit card used for registration payment.

Please allow up to two weeks after the meeting for refunds to be processed. Refunds for no-shows, employee terminations or sickness/COVID-19-related illnesses will not be given; however, you may transfer the paid registration to another team member. No cancellation refunds will be honored for any reason after the April 24, 2026 deadline.

Hammock Beach Golf Resort & Spa

- ▲ Contact cfidental@cfdda.org for larger room options.
- ▲ Reserve online at <https://tinyurl.com/cfddameeting>

COME JOIN THE FUN!

Sunset Reception

May 1, 2026 | 7-9 P.M. Grand Event Lawn

As the sun sets, the celebration begins! Sunset views, tasty bites, cool drinks and great company. Come unwind with us.

Glow-In-The-Dark Mini Golf Under the Stars

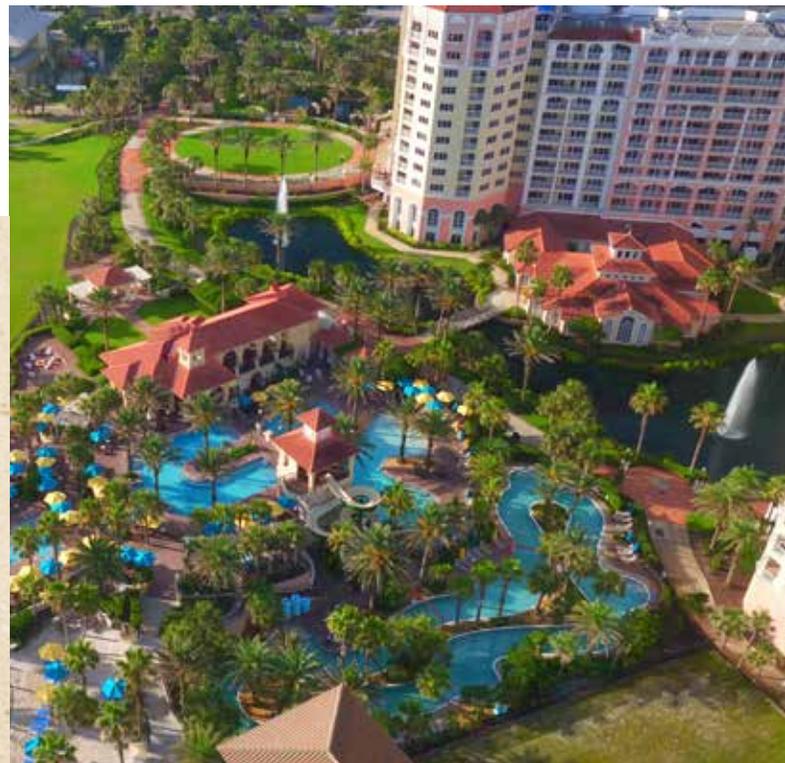

May 1, 2026 | 8:30 P.M.

When the reception wraps up, the glow turns on! Grab your dental team or friends for 9 holes of glow-in-the-dark mini-golf, laughs and a little friendly competition. Warning: bragging rights may apply. Registration includes a drink ticket, goody bag and glow ball souvenir — all for just \$20 per person! This event will sell out, so register early.

Exhibitor Prize Drawings - Visit. Connect. Win.

May 2, 2026 | 12:45 P.M.

Our exhibitors make this meeting possible - and they're rewarding you for stopping by! Pick up an exhibitor visit sheet, visit all the exhibitors and return your completed sheet for a chance to win great prizes. You must be present to win.

FRIDAY FEATURED SPEAKER SESSIONS

Larry Guzzardo, BS

Unravel the Mystery of Treatment Acceptance: Practical Strategies to Motivate Teams, Elevate Patient Care and Grow Practice Success

8-10 A.M. | 2 CE CREDITS

AUDIENCE: DENTISTS, ALL TEAM MEMBERS

This course provides a practical, step-by-step approach to improving treatment acceptance and patient communication. Participants will learn how to refine existing systems, strengthen team confidence and make simple changes that boost motivation and practice profitability. Attendees will leave with actionable strategies to confidently present treatment, apply the three essential steps of every new patient exam, build systems that support higher acceptance rates and maintain a productive, low-stress schedule that promotes both efficiency and exceptional patient care.

Larry Guzzardo, BS

5-Star Patient Communication: Aligning Teams to Build Trust, Increase Appointments and Elevate the Patient Experience

10:30 A.M.-12:30 P.M. | 2 CE CREDITS

AUDIENCE: DENTISTS, ALL TEAM MEMBERS

Exceptional patient experiences begin with clear, consistent communication. This course provides practical strategies to align your team, increase scheduled appointments, reduce cancellations and generate more referrals. Participants will learn how to uncover patients' true needs, build trust from the first phone call and confidently communicate value—even in cost-focused conversations. Attendees will leave equipped to convert inquiries into new patient appointments, handle insurance questions with professionalism, strengthen relationships through effective reminder and confirmation calls and elevate every interaction for a more cohesive, patient-centered experience.

FRIDAY SESSIONS

Joe Richardson, DMD, MS
Dental Implant Complications: How to Identify Them and Why They Occur

8-9 A.M. | 1 CE CREDIT

AUDIENCE: DENTISTS, CLINICAL TEAM MEMBERS

This lecture provides a practical overview of common dental implant complications, with an emphasis on identifying early warning signs and understanding why these issues occur. Attendees will gain insight into surgical, prosthetic and patient-related risk factors, learn how to recognize complications before they progress and explore practical strategies to prevent problems and improve long-term implant success and patient outcomes.

Frank Lozano, DMD
The Highs and Lows of Digital Dentistry

9-10 A.M. | 1 CE CREDIT

AUDIENCE: DENTISTS, CLINICAL TEAM MEMBERS

Digital dentistry is transforming clinical workflows, from 3D scanning to digital prosthetic fabrication. This course reviews the most common challenges dentists face in capturing accurate 3D data, designing digital prostheses and navigating the fabrication process. Attendees will gain practical strategies to improve scan quality, make smarter design decisions and avoid common pitfalls in 3D printing and production, leaving with greater confidence in achieving reliable, high-quality outcomes in a digital workflow.

University of Florida College of Dentistry Residents
Interdisciplinary Care For the Endodontic Patient

10:30-11:30 A.M. | 1 CE CREDIT

AUDIENCE: DENTISTS, CLINICAL TEAM MEMBERS

This lecture highlights the value of interdisciplinary collaboration in the diagnosis, treatment planning and management of

endodontic patients. Attendees will gain a clearer understanding of when to involve specialists, learn practical strategies for coordinated care and effective communication and develop greater confidence in managing complex endodontic cases to improve clinical outcomes and long-term tooth retention.

Thomas Yoon, DDS
Guided Implant Placement: Advancing Precision and Predictability in Implant Dentistry

11:30 A.M.-12:30 P.M. | 1 CE CREDIT

AUDIENCE: DENTISTS, CLINICAL TEAM MEMBERS

This comprehensive course is designed for dental professionals looking to enhance their skills in the precise placement of dental implants. Focusing on both the surgical and restorative aspects of implant dentistry, participants will gain in-depth knowledge of how to effectively utilize guided implant placement technologies to optimize treatment outcomes. Attendees will explore the latest advancements in guided surgery, including the use of 3D imaging and surgical templates to achieve optimal implant positioning with minimal invasiveness. Emphasis will be placed on understanding and addressing anatomical challenges to ensure implant success and minimize complications. *This lecture is generously sponsored by Hiossen.*

CC Anthony, AAMS
Wills & Trusts: Smart Planning for You and Your Family – Lunch & Learn

12:30-1:30 P.M. | 0 CE CREDIT

AUDIENCE: ALL MEETING ATTENDEES
PRICE: \$15

This one-hour Lunch & Learn provides a practical overview of wills and trusts tailored for dentists and dental team members. Attendees will gain a clearer understanding of how these essential planning tools protect their families, assets and practices. Lunch is included. *This program is generously sponsored by Edward Jones. Course limit: 50.*

SATURDAY FEATURED SPEAKERS SESSIONS

Anita Gohel, BDS, PhD **A Deep Dive into Intra-oral and Panoramic Radiographic Diagnosis**

8-10 A.M. | 2 CE CREDITS
AUDIENCE: DENTISTS, CLINICAL TEAM MEMBERS

Accurate interpretation of 2D radiographs is essential in daily dental practice. Using a case-based format, this course reviews common developmental, inflammatory, neoplastic and metabolic conditions of the maxillofacial region. Participants will engage in illustrated case discussions and interactive image interpretation to strengthen diagnostic skills, learn to identify positioning errors and their limitations, recognize normal anatomical variations and incidental findings and confidently determine when CBCT imaging is appropriate to support clinical decision-making.

Erika King, DDS **Beyond Water Fluoridation: From Patient Dialogue to Treatment Strategies**

8-10 A.M. | 2 CE CREDITS
AUDIENCE: DENTISTS, CLINICAL TEAM MEMBERS

This course highlights how dental teams can clearly, confidently and consistently communicate the proven benefits of fluoride. Participants will gain practical, evidence-based strategies to address misinformation frequently encountered on social media and other sources while strengthening patient trust. Attendees will learn how to explain fluoride's benefits using current scientific evidence, identify and correct common myths and misconceptions and apply effective communication techniques that ensure clear, consistent messaging across the entire dental team.

Anita Gohel, BDS, PhD **Radiographic 3D Surfing: Catch the Waves of CBCT Diagnosis**

10:30 A.M.-12:30 P.M. | 2 CE CREDITS
AUDIENCE: DENTISTS, CLINICAL TEAM MEMBERS

Cone Beam Computed Tomography (CBCT) has reshaped dental diagnostics and treatment planning. This course reviews key advances in CBCT technology and practical applications across multiple dental specialties. Using a case-based, interactive format, participants will explore 3D imaging findings, identify normal anatomy and incidental findings and examine CBCT applications for implants, impacted teeth, TMD, jaw lesions, orthodontics, endodontics and airway evaluation. Attendees will also gain an understanding of medico-legal considerations and best practices for integrating CBCT into comprehensive, patient-centered care.

Pam Smith, RDN

Energy for Life: Nutrition Strategies to Combat Fatigue and Improve Performance

10:30 A.M.-12:30 P.M. | 2 CE CREDITS
AUDIENCE: ALL MEETING ATTENDEES

Fatigue affects millions of Americans and can significantly undermine health, mood, productivity and overall quality of life. Energy for Life explores the root causes of today's "energy crisis" and how chronic fatigue contributes to increased illness, impaired focus, sleep disruption, stress and difficulty maintaining healthy habits. Drawing on the latest research and practical, science-based nutrition strategies used with high performers—including Shaquille O'Neal, NBA teams, and iconic brands such as Darden Restaurants and Walt Disney World—this course provides actionable tools to restore vitality, reduce the stress response and sustain daily energy for long-term performance and well-being.

HANDS-ON WORKSHOP **Thomas Yoon, DDS** **Guided Surgery Mastery: Implant Placement, Crestal Approach Sinus Lifts & Peri-Implant Grafting**

1:30-5:30 P.M. | 4 CE CREDITS
AUDIENCE: DENTISTS
DENTIST - ADA/FDA MEMBER \$599, \$649 AFTER 4/24/26.
DENTIST - NON-MEMBER \$649, \$699 AFTER 4/24/26.

This hands-on workshop provides advanced, clinically focused training in guided implant surgery for dental professionals. Participants will gain practical experience in guided implant placement, crestal sinus lifts and bone grafting around implants using digital planning software, 3D imaging and surgical guides. Through live demonstrations and hands-on exercises with simulated models, the course emphasizes case selection, anatomical assessment and the use of guided technology to deliver precise, minimally invasive and predictable implant treatment. Designed for clinicians looking to enhance surgical confidence and outcomes, this workshop offers a modern, fully guided approach to implant therapy. *Course limit: 30. This workshop and course equipment is generously sponsored by Hiossen.*

SPEAKERS

CC Anthony, AAMS

Master's degree, Johnson & Wales University; professor,

Strayer University; financial advisor.

Larry Guzzardo, BS

Bachelor's degree, Wayne State University; visiting

faculty member, The Dawson Academy; dental practice management consultant.

Frank Lozano, DMD

dental degree, University of Florida College of Dentistry

(UFCD); certificate in Prosthodontics, Baylor College of Dentistry (now Texas A&M Dental School); part time faculty, Center for Implant Dentistry, UFCD; private practice, Gainesville, FL.

Pam Smith, RDN

BS in Nutrition, Florida State University; Founding

Principal and CEO of Shaping America's Plate, Inc.; co-creator of the Bahama Breeze and Seasons 52 restaurants; co-chair of Culinary Institute of America's Healthy Menus R&D Collaborative.

Anita Gohel, BDS, PhD

PhD in oral biology and certificate in oral and maxillofacial radiology, University of Connecticut; chair, department of oral and maxillofacial diagnostic sciences, University of Florida College of Dentistry.

Erika King, DDS

Dental degree, Meharry Medical College School of Dentistry; certificate in Pediatrics, Harlem Hospital Center affiliated with Columbia University; private practice, Sebastian, FL.

Joe Richardson, DMD, MS

Dental degree, certificate in periodontics

and master's degree, University of Florida college of Dentistry (UFCD); courtesy teaching appointment, UFCD; private practice, Eustis and Winter Park, FL.

Thomas Yoon, DDS

Dental degree, University of Missouri-Kansas City School of Dentistry; certificates in Hospital Dentistry, Oral Biology, and Periodontology from the University of Florida and Washington University; Dean, LECOM School of Dental Medicine, Bradenton, FL.

CONTINUING EDUCATION FORMS / CE BROKER

Forms will be distributed at the conclusion of each day. A course code will be provided at the end of each lecture that qualifies for CE. Turn in the top half of the form to the CFDDA registration desk or the box provided in the exhibit area. Attendees retain the bottom portion of the form. CEUs will be entered in CE Broker within two weeks of the meeting on all attendee's behalf by CFDDA.

SCIENTIFIC PROGRAM DISCLAIMER

The CFDDA makes every effort to present high-caliber speakers in their respective area of expertise. The speakers in no way imply endorsement of any product, technique or service presented during these presentations. The CFDDA expressly disclaims responsibility for any material presented. In addition, participants must always be aware of the hazards of using limited knowledge to integrate

new techniques or procedures into their practices. Only sound, evident-based dentistry should be used in patient therapy.

CFDDA POLICIES

CANCELLATION POLICY

All cancellations and/or refund requests for the 2026 CFDDA Annual Meeting must be made in writing and received by April 24, 2026, post-marked. All cancellations are subject to a service and handling fee of \$30 per cancelled registrant. Refunds are paid to the individual whose name appears at the top of the check or on the credit card used for registration payment. Please allow up to two weeks after the meeting for refunds to be processed. Refunds for no-shows, employee terminations, or sickness/COVID-19-related illnesses will not be given; however, you may transfer the paid registration to another team member. No cancellation refunds will be honored for any reason after April 24, 2026.

EMAIL LIST POLICY

By registering for the 2026 CFDDA Annual Meeting, you authorize CFDDA the right to add you to its email marketing list to receive event updates for 2026 and subsequent years. You may opt out at any time, but you will not receive pertinent information regarding your registration.

LIABILITY POLICY

Attendee assumes all risks and accepts sole responsibility for any injury (including, but not limited to, personal injury, disability and death), illness, damage, loss, claim, liability or expense of any kind that the attendee may experience or incur in connection with attending the CFDDA Annual Meeting. Attendee hereby releases, covenants not to sue, discharges and holds harmless the Central Florida District Dental Association and its employees, agents and representatives of and from any such claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto.

PHOTO RELEASE POLICY

By registering for the 2026 CFDDA Annual Meeting, you are authorizing the Central Florida District Dental Association the right to photograph you, your invitees and guests while attending courses or using common or public areas of the hotel and to use the photographs in all formats and media for any purpose, including for education, marketing and trade purposes. By registering, you release CFDDA from all claims arising from the use of the photographs, including, without limitation, all claims for compensation, libel, invasion of privacy or violation of copyright ownership.

PERSONAL VIDEO RECORDING AND PHOTOGRAPHY OF SESSIONS POLICY

Personal video recording and photography are strictly prohibited in all scientific sessions unless otherwise stated by the speaker.
